OUR STRENGTH IS IN OUR PRODUCT

HA+ DRAIN GRAIP

DON'T DRINK IT!

No chlorinated solvents.

Will not rust parts or other metal substances.

No Ozone depleting substances.

No hazardous air pollutants.

Dries residue-free.

Formulated with a high flash point.

Grape-scented, floating degreaser & industrial solvent.

A non-emulsifiable solvent degreaser which is designed for many uses including parts-washing and general degreasing. **HA+ Drain Graip** also possesses a powerful **grape fragrance** which suppresses odours and waste fumes. It is particularly useful in the mortuary for masking overpowering odours.

USE:

Measure 150ml of HA+ Drain Graip and simply pour down a 100mm wide drain.
