## Contemporary Drapery

Hyqual Australia's Contemporary Co-Ordinate Collection is a break away from the traditional range of coffin and casket drapery. We are constantly developing new and innovative products to give you and your clients a modern choice when making funeral arrangements.

The Co-Ordinate Collection features beautiful contemporary fabrics in a range of soft chenilles with textured jacquards, striking faux leather or two-tone cream sateen. These are just some of the fabrics available.

*As this is a modern collection, the fabrics are updated every few years.*
